

ABOUT US

ROE is an independent consulting company founded in 2009. ROE specialises in the horizontal directional drilling technology and also in practical applications of drilling fluids for various purposes. The company cooperates with leading drilling companies, engineering companies and renowned equipment manufacturers. The company offers advanced advice to investors, design offices and drilling contractors. The company has been a member of the DCA Drilling Contractors Association for ten years. ROE organizes a regular technical conference fully dedicated to HDD technology. The seventh edition of the conference will be held in the QUBUS HOTEL KRAKOW in November 2022.

A New Look
at HDD Technology

7th ROE TECHNICAL CONFERENCE

QUBUS HOTEL KRAKÓW
23th and 24th of NOVEMBER, 2022

CONFERENCE PROGRAMME

Session: Design and planning of HDD projects

- Boundary conditions for the application of the HDD technology
- Geological investigations
- HDD trajectory design

Session: HDD project management

- Project schedule
- Project budget – low quality costs
- Risk analysis in drilling projects

Session: Drilling and downhole equipment

- New trends in the construction of drilling rigs
- Limits for the use of drill string
- Selection of downhole tooling

Session: Directional navigation and drilling technology

- Guidance systems and PWD measurement
- Drilling performance – influence factors
- Drilling reports – process optimization

Session: Drilling fluids and downhole hydraulics

- Type of fluids and main components
- Fluid program – rheological modeling
- Closed-loop mud system – mass and volume balance

Session: Pipelines

- HDPE vs steel
- Anti-corrosion protection – acceptance criteria
- HDD installation loads

Discussion panel:

Current state and future of HDD technology in Poland

PARTICIPANTS: **+120**

COMPANIES: **+50**

TECHNICAL SESSIONS: **6**

TECHNICAL PAPERS: **20**

DISCUSSION PANEL

PL / ENG

CONFERENCE LANGUAGES:
POLISH AND ENGLISH

SIMULTANEOUS TRANSLATION

PARTICIPATION COSTS:

300 EUR + 23% VAT

FOR THE FIRST PERSON FROM THE COMPANY

270 EUR + 23% VAT

FOR A SECOND PERSON FROM THE COMPANY

240 EUR + 23% VAT

FOR A THIRD AND EVERY NEXT PERSON FROM THE COMPANY

ENTRY FEE DOES NOT INCLUDE ACCOMMODATION
